Bids are hereby invited to remove chemical glass bottles 2.5l at ERWAT laboratory

The quotation must include the following:

1. The quotation must be valid for a period of 12 months to remove 210L Drums that is filled with glassware.
2. Please quote as follows:

Item	Unit price
Disposal	
New drum	
Transport	
Total per drum	

General information to be taken note of:

1. The drums will be rotated on request or call for service basis. Each drum that is being pick-up will be replaced by a new drum, disposal will take place of the drum that was pick-up and a manifest must be given to ERWAT once it has been disposed of.
2. The company must be a legit waste transporter/disposal that is registered on the WIS and have the necessary documents to proof it.
3. Manifests of disposal must be given which must be traceable for us "from cradle to grave".
4. Collection and delivery will take place at the Laboratory in Kempton Park, Bapsfontein rd.
5. The company removing/pick-up the drums must have their own lifting equipment and staff to do so, it will not be the responsibility of the lab or lab staff.

Compulsory legal documentation to be in order: (if not you will be disqualified)

1. Registered as a waste transporter
2. Registered on the GWIS
3. Registered at GDARD
4. Able to give us a Disposal certificate/manifest.
