

Central Supplier Database

Compulsory Registration of all Suppliers on the Central Supplier Database, effective 1 July 2016

The City of Joburg Property Company SOC Ltd, in line with the Municipal Finance Management Act read with its Regulations, invites all prospective and current service providers to register on the Central Supplier Database (CSD).

The CSD is a database management system spearheaded by the Office of the Chief Procurement Officer at the National Treasury. The CSD will be the source of all information for all organs of state. It will reduce the exchange of compliance documents in paper form, eliminate multiple registration with different organs of state and ultimately reduce the cost for both business and government, enabling electronic and verification process.

The CSD will interface with the South African Revenue Services (SARS) to verify tax clearance compliance and the Companies and Intellectual Property Commission (CIPC) for business registration and business ownership information. The CSD will furthermore verify information with the register for tender defaulters and the database of restricted suppliers.

With effect from 1 July 2016, all suppliers should be registered on the CSD. It should be noted that the registration on the CSD will be a prerequisite for all for all suppliers to do any business with the City of Joburg Property Company SOC Ltd in particular, and any other spheres of government at large. Suppliers are therefore urged to register on the CSD in order to avoid delays in any procurement initiative and payment processes with the City of Joburg Property Company SOC Ltd.

Upon successful registration on the CSD, kindly provide the following documentation to Josephine Mbatha at City of Joburg Property Company SOC Ltd at 1st Floor, Forum 2, Braampark, 33 Hoofd Street, Braamfontein: • Hard copy of CSD profile • A current, up-to-date municipal account in respect of rates and taxes or one that is not older than 3 months and not in arrears, or valid lease agreement • Completed JW Electronic Funds Transfer (EFT) form • Company profile and relevant industrial accreditation as prescribed.
